

Dramanon have provided the first module of our corporate Diversity & Equality training. So far they have delivered training for over 400 people. Delegate feedback has been excellent from staff and managers at all levels of the organisation.

The Dramanon approach has turned what could have been a dry subject into something that is meaningful for each individual. Their approach is interactive and challenging without being threatening. The knowledgeable Dramanon staff are able to adapt to a range of organisational cultures, and so appeal to delegates from different parts of the organisation.

Working with Dramanon has been a pleasure. Their background knowledge of the subject, enthusiasm and flexibility of approach has been a delight.

We look forward to maintaining a winning partnership with Dramanon.
